❖ Nathaniel: Figured out that the processor is plug and play
❖ Latif: Directed Team assignments.

Individual hourly Contributions

NAME	Hours this week	HOURS Cumulative
Latif	5	39
Nathaniel	5	36
Sam	5	33
Ziji	5	34

Comments and extended discussions:

This week we discussed how we would include more features to make our product more desirable. These ideas included having multiple devices connected in order to allow for an advanced user to set up his speakers. We also discussed allowing for post processing effects.
